Matthew Damon

Dear Mr. Damon

You have asked if the Assessors Department has seen property values in the City of Newburyport decrease due to the installation of the wind turbine at the Mark Richey property on Parker Street.

As of this date we in the Assessors Office have seen no market data to indicate that the wind turbine has had an impact on the values of surrounding properties.

I hope this is helpful for you, please feel free to contact us again if we can be of further assistance.

Sincerely,

Daniel Raycroft  
City Assessor
